Paving The Way For

CHANGE IN INDIA'S STATUS

SIX REFUGEES ARRESTED

S. D. O. Assaulted

BURDWAN, Nov. 30 (PTI): Six refugees were brought here today under arrest by the S.D.O. Sub-Divisional Officer from Kashipore Refugee Camp, about 20 miles from Burdwan.

On receipt of information that several refugees had gone on hunger strike in the camp, the S.D.O. went there last night with a police party to remove the hunger strikers, some of whom were reported to be weak. Burdwan. The refugees, however, resisted the removal and in the resultant clash, a section of them attacked the S.D.O. and his party. The S.D.O. received slight injuries at the hands of some women refugees. The police then dispersed the crowd and took into custody six of the "ring leaders".

The hunger strike, which was started demanding rehabilitation of all refugees in the camp and also employment for them, is being continued for the third day.

Bill In British Parliament

LONDON, Nov. 30 (PTI-Reuters). A Bill to make adjustments needed because of India's decision to assume a Republican status within the Commonwealth next month, was introduced in Parliament tonight by Commonwealth Relations Secretary Philip Noel-Baker.

The bill, entitled "India (Consequential Provision) Bill, is a short measure consisting of four clauses.

It is officially described as a bill to "make provision as to the operation of the law in relation to India, and persons and things in anyway belonging to or connected with India, in

view of India's becoming a Republic while remaining a member of the Commonwealth."

Presented by Mr. Philip Noel-Baker, Secretary for Commonwealth Relations the bill was formally read a first time. There was no discussion.

The text of the bill is as follows: "Clause One—On and after the date of India's becoming a Republic, all existing law, that is to say, all law which, whether being a rule of law or a provision of an Act of Parliament or of any other enactment or instrument whatsoever, is in force on that date or has been passed or made before that date and comes into force thereafter shall, until provision to the contrary is made by the authority having power to alter that law and subject to the provisions of sub-section (three) of this section, have the same operation in relation to India, and to persons and things in anyway belonging to or connected with India, as it would have had if India had not become a Republic."

Clause Two—This Act extends to law of, or of any part of, the United Kingdom, a colony, a protectorate or a United Kingdom trust territory and also, but so far only as concerns law which cannot be amended by a law of the Legislature thereof, the law of Southern Rhodesia or of any part thereof.

The references in this sub-section to a colony to a protectorate and to a United Kingdom trust territory shall be construed as if they were references contained in the British Nationality Act 1948.

Clause Three—His Majesty may by Order in Council make provision for such modification of any existing law to which this act extends as may appear to him to be necessary or expedient in view of India's becoming a Republic while remaining a member of the Commonwealth and Sub-section (1) of the section shall have effect in relation to any such law as modified by such an order save in so far as the contrary intention appears in the order.

An order in Council under this section—(A) may be made either before or after India becomes a Republic, and may be revoked or varied by a subsequent order in Council; and (B) shall be subject to annulment in pursuance of a resolution of either House of Parliament.

Clause Four—Any increase attributable to an Order in Council under this section in sums payable out of moneys provided by Parliament or out of the consolidated fund of the United Kingdom or the growing produce thereof shall be defrayed out of moneys so provided, or out of that fund or the growing produce thereof, as the case may be.

This Act may be cited as the India (Consequential Provision) Act 1949.

The bill was described by a high parliamentary authority as primarily a holding bill to ensure that the position of Indians in Britain should not be changed by the declaration of the Indian Republic.

These Indians will continue to enjoy the same position, rights and privileges in Britain as they do now, he said.

THE EFFECT

Authoritative quarters tonight indicated that the general effect of the bill is to provide that all laws shall continue to apply to India as if India had continued to be part of the King's Dominions.

This provision is subject to such amendments as the King may from time to time provide by order in Council.

The justification for this course is that while the new situation will come into force in India on January 26 with the new Republican Constitution, legislation over a wide field will subsequently be necessary in India.

The present bill will permit of consequential amendments being made in United Kingdom Law without taking up parliamentary time.

A clause in the bill (3B) provides that any Order-in-Council made under the Bill shall be subject to amendment by a resolution to that effect is passed by either house of Parliament.

Paratroopers' Parade

The first batch of the Indian Army Paratroopers passing out of the newly established R.I.A.F. Paratroop Training School at Agra were awarded badges by Air Commodore A. M. Engineer, Air Officer Commanding Operational Command Mr. Engineer is seen pinning a badge to the arm of a successful trainee.

NIGHT AIR MAIL A GOOD SCHEME

Pandit Nehru's Defence

NEW DELHI, Nov. 30, (PTI). The Indian Parliament today held an inconclusive debate on Mr. Rohini Kumar Chaudhuri's motion recommending the abolition of the Night Air Services. The general mood of the debate, however was strongly in favour of their continuance.

The Prime Minister, Pandit Nehru, opposing Mr. Chaudhuri's resolution, said that it ignored the realities of the situation. The Prime Minister described the scheme as a good one. On the question of nationalisation of the air services, the Prime Minister said that there was hardly a single member in the House who was opposed to the idea of nationalisation, but it was not possible to give effect to it on grounds of feasibility and practicability.

He was opposed to the development of monopolies in India and added that Government should try to encourage as many good services as possible.

While Pandit Nehru agreed with the general proposition of Prof. K. T. Shah that an independent commission should be appointed to go into all longrange aspects of civil aviation, he said that its appointment in the present context would have a different meaning. The Scientific Coordination Committee had recommended a Committee for Civil Aviation and this recommendation would be given effect to.

NO DICTATING TERMS

Mr. Rafi Ahmed Kidwai, Minister for Communication, in a fighting speech that drew loud applause, strongly defended Government's action in introducing the Night Air Service and said that since it was introduced, except for one company, the other day operating companies had reduced or were going to reduce their fares. He charged some of the companies with trying to form a combine and victimise a company which had agreed to Government's terms.

Mr. Khurshed Lal, Deputy Minister, said that the day service operators had thought they could "dictate terms to the Government." Advising the "industry" to put their house in order, the Deputy Minister said: "It is time industry also realises that while Government is prepared to listen to all the advice given by the industry and is prepared to help the industry, the ultimate decision in these matters must be that of Government and Government alone."

Mr. M. R. Masani said that he did not agree with the view that night services should be abolished but they should be run in the "proper way" and should be free from the disadvantages which the industry complained about. He described the financial position of the operating companies as "grim."

BUSINESS RIVALRY

Mr. Mohanlal Gautam (United Provinces) favoured nationalisation of the air companies and demanded that the tax-payers money should not be "wasted" on them.

Mr. R. K. Sidhwa, supporting Mr.

And Now Merger Of Towns!

MIRAJ, Nov. 30 (UPI): The Government of Bombay, it is learnt, has under consideration a scheme for the formation of a big town combining the towns of Miraj, Sangli, Budhagaur, Mahadwar and Kupwad to be named after Mahatma Gandhi.

The Executive Engineer of the Miraj Division, Mr. A. S. Adke, has, it is stated, already prepared an index plan showing the proposed development on Gandhi Nagar whose area would be about 25 square miles with an airport at Kavalpur.

The proposed town, it is stated, would be an important commercial, industrial, educational and medical centre.

Kidwai, said that he had great respect for Mr. J. R. D. Tata but in opposing the Night Air Services he had "lost the balance of his mind in this business rivalry."

Mr. Kuladhar Chaliha (Assam), congratulating Mr. Kidwai, said that thanks to the Night Air Services, even a "poor man" like him could travel by air.

Smt. Renuka Ray (West Bengal) felt that some of the operating companies were simply trying to "blackmail" the Government. She too favoured nationalisation.

Mr. Thirumala Rao (Madras) thought that the Government had "rushed" into the Night Air Service scheme before examining fully its implications.

Mr. H. V. Kamath's resolution asking that the House should commence its proceedings daily with a prayer, lapsed. Mr. Kamath told the House: "It is unfortunate but God's will be done."

SOVIET GIBRALTAR IN ADRIATIC

(From Our Correspondent) LONDON, Nov. 30: What is described as Russia's Gibraltar is being built on the Island of Saseo, former Italian fortress in the Gulf of Otranto. This when completed would make the Russians masters of the Adriatic Sea.

LABOUR OUSTED IN NEW ZEALAND

Conservatives Come In After 14 Years

WELLINGTON, Nov. 30 (PTI-Reuters): New Zealand's Labour Party was ousted by the National Party (Conservatives) in today's general elections after 14 years in office.

The final distribution of the 80 Parliamentary seats was: National Party 46, Labour Party 34, including the four Maori seats for which voting took place yesterday.

This was the first of three Commonwealth Labour Governments to go before the electorate.

The British and Australian General Elections are in the offing. In the last New Zealand Parliament, the 76 European seats were equally divided between Labour and National, but Labour held the four Maori constituencies. Today's elections gave the National Party a majority of 12 seats.

The leader of the National Party, Mr. Sidney Holland, who retained his seat in Fedalton, said in a telephone interview from Christchurch that "the change of Government is a momentous event. I can only say I accept with humility the high honour and responsibility that has been conferred on me."

EMPIRE SOLIDARITY

"I want to say at the outset that the close enduring relationships with Britain and other countries of the Empire will be one of the governing principles to be followed. We hold that the maintenance of a strong undivided British Empire is of paramount importance not only to the Empire countries, but in the interests of the world peace and stability."

Mr. Holland, a 58-year-old Christchurch manufacturer who entered the House in 1935, has led his party since 1940.

In a pre-election speech, in which he described 1949 as "the year of emancipation", he promised, among other things, if elected, to deal "firmly" with Communists.

The handful of Communists and independent candidates all polled insignificantly and lost their deposits, with the exception of one Democratic Labour candidate.

Labour Prime Minister Peter Fraser retained his seat with a greatly reduced majority.

MAORI HISTORY

Maori electors, who always vote the day before the General Election, returned four Labour Members to the House of Representatives yesterday also made Maori history by electing a Maori woman for the first time.

Mr. Sidney George Holland, who is almost certain to be New Zealand's new Prime Minister, was elected in 1935 and became leader of his party in 1940.

He was born in October 1893 near Christchurch, and was one of a family of eight.

His parents had emigrated from Britain. Mr. Holland played hockey as a young man and refereed the first hockey test match played in New Zealand, between his country and India.

Normal Trade Practices Restored In Japan

Retrenchment Hoax

NEW DELHI, Nov. 30 (PTI).

DELHI'S police intelligence staff are worried.

The Secretariat of the Delhi Chief Commissioner recently received a letter apparently signed by the Registrar of the East Punjab High Court, directing retrenchment of the "Ahlmads" (junior clerks) in the Delhi District Courts. The local authorities, acting with commendable promptitude, faithfully complied with the "directive".

The Registrar, it is now learnt, wrote no such letter. The so-called letter is stated to be a "hoax".

Other heads of Departments of the Delhi Administration too have received a large number of letters—mostly anonymous—urging "retrenchment drives".

The intelligence staff are racking their brains to find out who wrote these letters, particularly the one in the name of the Registrar of the East Punjab High Court.

DISTRICT ENGINEER SHOT DEAD

Train Hold-Up On Nizam's State Railway

HYDERABAD (Dn.) Nov. 30 (PTI).

MR. S. B. Sahgal District Engineer, Nizam's State Railway, was killed last night by armed men while he was travelling by a goods train on the Dornakal-Bezawda section of the railway, according to a Nizam State Railway press note issued today.

The press note said that the goods train was held up by men armed with firearms between Bonakatu and Chintakani about 7 miles east of Hyderabad and the engine crew, guard and the trolleyman accompanying Mr. Sahgal, whose saloon was attached to this train, were forced to abandon the train. Mr. Sahgal was detained by the armed men and later when armed assistance was sent, it was found that Mr. Sahgal had been fatally shot and his body abandoned by his assailants.

The Grand Trunk Express was delayed by two hours and the passenger train for Secunderabad delayed by six and half hours on account of the incident.

Special armed police and military forces proceeded to the spot on receipt of information.

Further details in connection with Mr. Sahgal's murder, show that he was travelling in a saloon attached to a goods train, which was stopped by armed men. No armed guard was attached to this goods train as is done in the case of passenger trains on the Bezawda section owing to the Communist menace in Warangal and Nalgonda districts.

It has been the practice for over an year to have an armed guard in every passenger train for preventing any untoward incident. An armed guard usually consists of one Sub-Inspector, a head constable and eight constables. There was, however, no looting of the goods train.

It now transpires that the goods train was stopped by armed men, numbered four, by showing red flares robbed from railway gangmen. As soon as the goods train halted the "aiders forced the engine crew to abandon the train. They also made the driver "drop fire from the engine" Similarly, they brought down the guard and asked them to put their "hands up". Their pockets were searched. A question regarding their alarities was also put to them. Subsequently they were asked to disperse on the risk of being shot dead.

As Mr. Sahgal came down from his saloon, he was similarly ques-

tioned about his pay and if he carried any money. Later, they searched his saloon and took possession of his clothes. They took him away and about a furlong from the site shot him in the back. A bullet passed through his body.

The crew of the engine and the guard trekked about a mile and half and reached the nearest station where they reported the matter. An engine was sent to the scene of occurrence and the body of Mr. Sahgal was traced with some difficulty.

Mr. S. B. Sahgal, who was District Engineer, Eastern Sector, Nizam's State Railway, was a young man of 37. He was a qualified engineer with foreign degrees. Besides, he was a very popular officer. He leaves behind his widow and five children, besides a host of relatives and friends, to mourn his loss.

HOMAGE

The special carrying the dead body of Mr. Sahgal reached Secunderabad railway station at 3-30 p.m. The platform was packed to capacity. Heads of all railway departments were present including Mr. T. M. Jagtiani, General Manager, and Mr. Rafi Hydar, Chief Commercial Manager.

40 STUDENTS ARRESTED

Procession To Council House

NEW DELHI, Nov. 30. (P.T.I.). About forty students of local schools were taken into police custody today outside the Council House. They were proceeding in a procession to demonstrate in front of the Council House where the Parliament was in session. The processionists included some twenty girls.

Earlier, a student rally was held in the city and a procession taken out through the main streets.

NEW DELHI, Nov. 30 (PTI): The students who had been taken into police custody this afternoon outside the Council House, were later released by the police.

SOCIAL EDUCATION WEEK ACTIVITIES

Newspapermen's Round In City

BOMBAY, Wednesday. Representatives of Bombay newspapers went round in the Social Education Van this afternoon to see the collection Dal the Government volunteers for the Social Education Fund from the public. They also visited the Committee's sub-offices at Delslie Road. It was surprising to find 8 sub-offices of the Bombay City Social Education Committee in the different labour areas in the North of Bombay. The party was escorted by Mr. K. B. Kasotia, Deputy Social Education Officer. The drive is proceeding on satisfactorily.

CITY KISAN SAHAYAK DAL ORGANISED

BOMBAY, Wednesday. Finding that the citizens of Bombay are desirous of joining the Kisan Sahayak Dal the Government of Bombay has decided to organise such a Dal in Bombay City also. In the original scheme of the Kisan Sahayak Dal, which enables volunteers from urban areas to do their bit for the Grow More Food Campaign, Bombay City had been excluded.
Persons resident in Bombay City and the suburbs, desiring to offer their services for this work, may register their names with the Director of Parks and Gardens, Queen's Park, Colaba, Bombay. The Director could also be contacted on telephone (No. 35602) during office hours, if any further particulars are required.

New Sub-Post Office At Dadar

BOMBAY, Wednesday. A no-delivery Sub-Post Office will be opened, with effect from December 1, 1949 at Jiwa Devshi Building, Ranade Road Extension, Dadar.

STUDENTS SHOULD JOIN POLITICS

Socialists Criticise Government Order

BOMBAY, Wednesday. Mr. Dandavate, Secretary of the Socialist Party (Bombay) has issued the following statement:—
"The Director of Public Instruction (Bombay) has recently issued a circular to the authorities of the Grant-in-aid primary and secondary schools, directing them to prohibit the students and teachers of their respective institutions from participating in any political activities.
"If this process of abridgement of the civic rights of the people continues at this rate, the time will not be far off when large sectors of our society will be rendered ineffective in political spheres, thus creating fresh hurdles in the unfolding of democracy in India," he adds.

Indian Merchants' Tribute To Sir Purshotamdas

PORTRAIT UNVEILED AT CHAMBER: SERVICES TO TRADE EULOGISED

BOMBAY, Wednesday. A fine portrait of Sir Purshotamdas Thakurdas was unveiled in the Committee Room of the Indian Merchants' Chamber at Church Gate this evening. The ceremony which was attended by a large and distinguished gathering of city businessmen and baronets, was performed by Mr. Bhawanji A. Khimji, President of the Chamber.

Prominent among those present were Mr. V. L. Mehta, Finance Minister Government of Bombay, Sir B. Rama Rau, Governor of the Reserve Bank of India, Sir C. B. Mehta, Mr. G. L. Mehta, Mr. P. M. Master and others.
Paying his tributes to Sir Purshotamdas Mr. Bhawanji observed that the unveiling of the portrait was more a formal affair but the real purpose in arranging such a function was to give expression to their sense of appreciation of and feeling of gratitude for the manifold services rendered by Sir Purshotamdas Thakurdas, to the trade, commerce and industry of the country. Referring to the numerous activities undertaken by Sir Purshotamdas, Mr. Bhawanji stressed that he was inspired in all these activities by an ardent fervour of bettering the lot of the common

man by an all-round development and progress of the country.

He recalled the efforts made by Sir Purshotamdas in co-operation with the late Sir Manmohandas Ramji and others to establish this Chamber and to nurture it into the position of importance, which it occupied in the commercial life of the Nation.
He said that, the period from 1921 to 1928 was a period of hectic activities in the life of Sir Purshotamdas, which was finally crowned with the unique distinction of his having been elected as the President of the Federation of Indian Chambers of Commerce and Industry in 1928.

LEADER OF COTTON TRADE
Mr. Bhawanji made particular reference to Sir Purshotamdas's connection with the cotton trade, of which he had been the leader since 1922. As a leader of this trade, he had evinced great interest in promoting and improving schemes for the betterment of cotton production in the country and had worked incessantly in that direction as a Member of the Indian Cotton Committee almost since its very inception.

He also referred to the contribution made by Sir Purshotamdas Thakurdas in the field of Finance and in that connection referred to his services to the problems of finance and currency of the country during the days of the ratio controversy.
In conclusion, Mr. Bhawanji stressed that it was because of his courage, independence of thought, devotion to duty and integrity of character that Sir Purshotamdas had earned the position of pre-eminence in the commercial community and still continued to render services in social and economic fields.

EVIDENCE BEFORE TARIFF BOARD

'SUGAR SYNDICATES UNNECESSARY'

Merchants Disown Blame For Present Shortage

BOMBAY, Tuesday. AT THE RESUMED HEARING of the Indian Tariff Board today in connection with the continuance of protection to the sugar industry, representatives of merchants and consuming interests submitted their views to the Board. Representatives of Sugar Merchants Association from Bombay, Kanpur and West Bengal as well as of confectionary manufacturers and food and fruit preserving industries were present.

The question of indigenous demand for sugar was discussed and the representatives submitted that it should be put at 13 to 14 lakhs tons per annum. They felt that as at present, situated the Indian mills did not have the capacity to meet the entire demand and therefore some imports would be necessary to fill the gap between indigenous demand and supply unless sugar prices and distribution are decontrolled.

As regards the present sugar shortage in the country, the merchants denied that they were responsible for it; the Bombay merchants stated that imports into Bombay during the year 1949 were actually less than in 1945 thereby showing that there was no hoarding.

FREE MARKET
The merchants' representatives said that there was no need for an organisation like the Indian Sugar Syndicate at the present time and recognition to it by the Provincial Gov-

ernments of U. P. and Bihar should be withdrawn. They were of the opinion that a free market without any control either in regard to price or distribution would bring the situation to normal and it would also give some incentive to the manufacturers to improve the quality of sugar and increase production. The merchants further stated that in its present condition, it would not be possible for the indigenous industry to compete with imports from abroad and it, therefore, needed protection for some more time. It was, however, their view that imports of sugar should be allowed subject to Government's balance of payment position.

Representatives of the consuming industries supported protection on condition that they were assisted in obtaining sugar at reasonable or concessional rates. They also complained that adequate sugar was not being supplied to them for the last few months thereby stopping their business.

The Board will examine on Thursday representatives of sugar mill workers including Prof. Shibban Lal Saxena, Member of the Constituent Assembly, who will represent the U. P. and Bihar Sugar Workers' Federation.

CRUSHING TAXATION FATAL TO INCENTIVE

Mr. G. V. Puranik's Appeal To Provincial Governments

BOMBAY, Wednesday. MR. G. V. PURANIK, President of the Maharashtra Chamber of Commerce observed today that production could not increase under a system of free economy when the burden of taxation was crushing.

Mr. Puranik who was addressing the 22nd annual general meeting of the Chamber added that under heavy taxation the incentive and enterprise would wither away. He pleaded that Government of India's proposal for a reduction in taxation should be followed by similar measures by Provincial Governments.

Assuring the whole-hearted co-operation of the Chamber to the various measures proposed by the Indian Government to fight the economic crisis facing the country, he said: "The economic conditions are of those of slump and depression which unless they are checked in time by a well-planned and sustained effort by the Government, agriculturists, industrialists, businessmen, and last but not the least, the working-classes, in fact, by the joint effort by every section of the community, will mean disaster."

CHEAP POWER
Maharashtra, like most parts of the country, needed industrial development which would be possible only if cheap electric power became available. This would be possible, he stressed if, in fact, by the joint effort by every section of the community, will mean disaster.

He pointed out that excellent quality of jute could be produced, though in a very small quantity in the Konkan district of Maharashtra, which would help to reduce India's dependence on Pakistan jute. But, he said jute could not be grown in this area without encroaching on the land under paddy crop.

Referring to the food problem, he emphasised that the agriculturist should have a positive inducement to step up food production. He suggested that manufactured articles should be made available to him at reduced cost.

The annual report and audited accounts for the last year was adopted and passed at the meeting.

CITY WEDDING

BOMBAY, Wednesday. Miss Malini, daughter of Mr. Waman Keshavnai Mankar (ex-Presidency Magistrate and ex-Coroner) was married to Mr. Lakshminarayan Vasudev Kothari, great-grandson of the founder of the famous Ramwadi Temple at Kalbadevi on Thursday November 24.

The wedding took place at the residence of Mr. W. K. Mankar in the afternoon while the reception was held on the grounds adjoining their residence at 5-30 p.m. A large and cosmopolitan gathering was seen at the reception.

MADRAS, Nov. 30 (P.T.I.). The first Convention of the Indian Nationalists will be held in Madras on December 18 under the presidency of Sir Raghunath P. Parajpye.

Agra Professor Brutally Murdered

AGRA, November 30 (UPI): Shri Joty Prasad, a well-known lawyer of the city and former Head of the Department of Law, Agra College, was brutally murdered while taking rest in his room, by some unknown persons.

A maid servant of the professor told the police that when she entered the room to give him a glass of water, a man suddenly dragged her in the corner and tied her body and her mouth was stuffed with clothes. On finding her not returning, the inmates came to the room and found the professor murdered.

Head Constable Found Dead

KANPUR, Nov. 29 (P.T.I.): A head constable of the local armed police was found dead with a gun shot in his chest in a room in a police outpost in the heart of the city today.

Some constables at the police outpost who heard the report of the gun rushed into the room and found the constable dead. The gun of a sentry was found lying near the deceased. The police are inquiring.

ANJUMAN-I-ISLAM WIN BY BIG MARGIN

Centuries By Toufique Hussein And Kadar In Harris Shield

BOMBAY, Wednesday. In the three quarter-final matches of the Harris Shield Cricket Tournament played today, the outstanding performances were those of Toufique Hussein and Kadar, both of whom registered unbeaten centuries, and of Lajmi, who took five wickets for five runs. Because of these feats, the Anjuman-I-Islam High School were able to beat the Union High School by a big margin at the Bombay Port Trust ground at the Cross Maidan.

Batting first, the Wilson High School were put for 108. Lajmi and A. I. Kadar doing most of the damage. The holders started auspiciously with the score-board reading 10 for 2, but Toufique Hussein and A. I. Kadar went on to collect 106 and 105 in a total of 389 for 7. At the Azad Maidan, the Sheikh Anandil Podar High School were beaten by the Bharda New High School by 82 runs, while in another match at the same venue the Wilson High School and Marwadi Vidyalaya High School will continue their unfinished match tomorrow.

Wilson High School 198 (A. L. Aute 35, S. V. Sopre 30, Hukam Singh 3 for 58) vs. Marwadi Vidyalaya High School 109 for 5 (Devendra batting 47, Rajesh 25, Gupre 2 for 39). Union High School 108 (P. B. Haladkar 32, V. S. Lalmi 5 for 5, A. I. Kadar 3 for 31) lost to Anjuman-I-Islam High School 269 for 7 (Toufique Hussein 106 (fourteen fours) retired, A. I. Kadar 105 (one six, eighteen fours) retired, P. B. Haladkar 3 for 55).

Bharda New High School 270 (Jagdish Seth 52, Dinshaw Mody 70, M. M. Advani 25 not out, Satish Edekar 5 for 84) beat Sheikh Anandil Podar High School 178 (G. P. Edekar 39, Satish Edekar 72, H. S. Ghai 4 for 39).

THRILLING VICTORY BY ONE WICKET OVER ELPHINSTONE IN FINAL

B. R. Irani Opens Innings And Carries His Bat For 85 Runs

BOMBAY, Wednesday. Thanks to a stubborn innings by Behram Irani, who batted for nearly six hours in making an unbeaten 85, St. Xavier's won the Collegiate Cricket Tournament today when they beat the Elphinstone and Royal Institute of Science by a wicket at the Brabourne Stadium the winning hit having been made half an hour after the tea interval.

The winners required 171 runs for a victory and the St. Xavier's captain shouldered the responsibility to a nicety, though, to the advocates of brighter cricket his back-to-the-wall cricket must have been positively boring. But Behram Irani had fully realised that had he failed there would have been a crisis in his players' dressing-room. That he had visualised correctly was manifested in the fact that it was left to him to make the hit that gave his college the Sir Ibrahim Rahimtulla Challenge Cup amidst great rejoicing.

Irani offered two chances when he had topped the fifty mark but they were, indeed, small blemishes in an innings which was characterised by watchful cricket. Of the other batsmen to catch the eye, Bhutani was the man. Coming in to bat at the fall of the eighth wicket with the total at 135 and his side requiring 36 runs for a triumph, he started off as if he had been batting longer than his captain. He refused to be overruled by the cessation and went for the bowling in a manner in a judicious manner. Any over-tossed he dispatched to the boundary with ease and grace. It was a great pity that he should have been held behind the wicket when St. Xavier's were five short of the required runs.

The Elphinstone and Royal Institute of Science deserve special commendation for never giving up the ghost until the match had been lost. To a man, they were ever on their toes. Their bowling was well directed, medium-paced Vinod Kothare and Anandkar maintaining an accurate length, while Vinayak Desai "Kaka" to his friends flighted and spun the ball cleverly and his one continuous spell of twenty-six overs in which he claimed the wickets of the otherwise prolific run-getters, Jagasia and Herwadkar was really meritorious. It is interesting, though unprofitable, to speculate which way the match would have ended had Behram Irani been held when he offered chances in the slips a little after he had reached his fifty.

When Irani and Jadhav resumed their innings this morning with the total at 30 for 1, St. Xavier's wanted 141 runs for a triumph, but by the time the teams adjourned for lunch they had augmented the total by 68 for the loss of two more wickets.

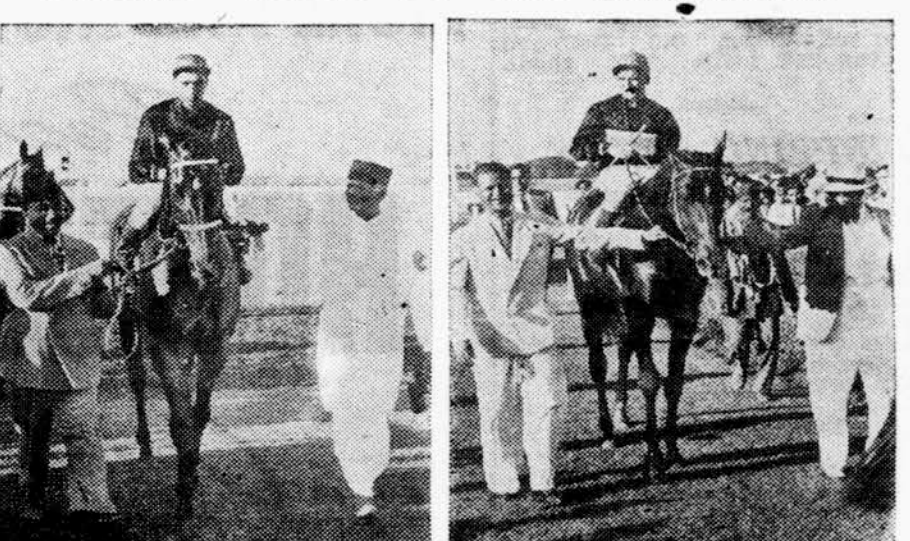

With 73 runs to get, it seemed that St. Xavier's would collect them with facile ease, especially as Behram Irani and Jagasia were not in the least troubled by the bowling, but fifteen minutes after the resumption, "Kaka" Desai bowled a leg-break inches off the leg-stump and Jagasia in rightly attempting a big hit was bowled neck and crop.

Wickets thereafter fell at intervals and with the score-board showing 135 for 8 both the teams were winning and losing. But with the arrival of Bhutani, the hopes of the Elphinstone and Royal Institute of Science were sealed. Bhutani attacked the bowling and when he fell to a smart catch to Dalvie off Anandkar, he had the satisfaction of making 20 invaluable runs and taking his side within five runs of a win. Cooper, the last man, played with great nerve and enabled his skipper to make the winning hit amidst great rejoicing.

LIGHT-TESTING GADGET MAY HELP IN CRICKET

U. S. Invention Would Avoid All Disputes

LONDON, Nov. 27. A light-testing gadget, invented by the Americans to decide whether the light is fit to carry on with baseball, may prove a boon to the English game of cricket.

The question of whether umpires are right in stopping play owing to the poor state of visibility is often open to dispute. Often, too, players themselves appeal against the light only to have their appeals dismissed.

If, however, the umpires were provided with a special light meter and the M.C.C. would pronounce a reading at which play should automatically cease a lot of dispute would be avoided. The idea of such a meter arose during the final game of last season's world baseball series when it got so dark that the floodlights had to be switched on.

There was an immediate discussion as to when was it too dark to play baseball without floodlighting and the idea of a light meter came into being.

The Baseball Commissioner has stated that uniform light intensity standards can be set up and umpires could decide when it was necessary for a game to be ended or, if decided arena lights to be switched on.

FIRST AIR RACES IN INDIA

BOMBAY, Nov. 30, (P.T.I.). The first Air Races in India organised at Calcutta by the Aero Club of India will be held on February 4, 1950 on the Calcutta Jamshedpur-Asansol-Calcutta route covering over 135 miles circuit, it was learnt here today.
This decision is understood to have been reached at the recent meeting of the club held at New Delhi. The meeting also discussed programmes for holding the air rallies and display at the Barrackpore airport near Calcutta on February 3, 4 and 5.
The club has decided to open an office at Calcutta early in December for making elaborate arrangements for the rally.

DELIGHTFUL TENNIS BY NARESH KUMAR AT DELHI

Shows Remarkable Improvement After Returning From Tour Abroad

NEW DELHI, Nov. 29, (PTI): Some delightful tennis was witnessed today at the Chelmsford Club when three of India's outstanding tennis stars—Nareesh Kumar, Balwantsingh and Rama Rao won their respective matches, fairly easily, in the Delhi Lawn Tennis Championships. In all ten matches were decided today.

Nareesh Kumar, India's No. 4, showing tremendous improvement since last year, won his first two round matches without any opposition in the singles. Nareesh was making his first appearance in a representative tournament here today after his recent tour of England and the United States.

In the first round match Nareesh beat Singh in straight sets, conceding only three games. The other victim of Nareesh Kumar was Bhatnagar, a Meerut College lecturer, whom he beat in straight sets, dropping a solitary game. Nareesh, with his fast spin service, was clearly on top, had good control of the flight of the ball. His service was too much for either Singh or Bhatnagar to cope with. His volleying was excellent and through this he scored most of the winning points.

Another leading player, Rama Rao, entered the quarter-finals of men's singles after winning his third round against Singh, whom he defeated in straight sets, dropping only one game.

Balwantsingh In Semifinal

NEW DELHI, Nov. 30 (PTI): Balwant Singh, an outstanding tennis player, entered the men's single semifinal of the Delhi Tennis Championships here today when he was least troubled to beat Gulshan Pandhi, a Delhi University player, in straight sets dropping only two games.

Narinder and Mrs. Disbrey moved to the penultimate round of the mixed doubles after overcoming stiff opposition from Rama Rao and Mrs. Rodrigues, the score being 6-4, 6-3.

Prem Pandhi, a local outstanding player, won his first round match against Daljit Singh, whom he defeated in straight sets. Pandhi did not play his usual game, but he hit some beautiful cross-court shots, which enabled him to win a number of points. Daljit fought bravely but his opponent, though not showing best of his form, was too good for him.

Results were:
MEN'S SINGLES: Prem Pandhi beat Daljit Singh 6-6, 8-6; Rajeshwar Ball beat R. C. Dhanwan 7-5 6-4; M. C. C. beat R. N. Sabharwal 6-0 6-1 and C. O. P. Mudaliar 6-0 6-0.

(QUARTER-FINAL): Balwant Singh beat Gulshan Pandhi 6-1 6-1.

MEN'S DOUBLES: M. L. Sondhi and Wazir Chand beat R. K. Madhok and N. Bedi 6-3 1-6 8-6; Hari Kishan and Gupta beat Y. V. L. Rao and Y. V. R. Rao 6-2 6-2; Narinder Nath and Nareesh Kumar beat Jaswant Singh and Ajit Nath 6-1 6-0; Daljit Singh and Kaysap beat Bhatnagar and Silyam 6-1 6-3.

MIXED DOUBLES: (Quarter-Final): Narinder Nath and Mrs. Disbrey beat N. Ram Rao and Mrs. Rodrigues 6-4 6-3.

BOMBAY UNIVERSITY BEAT OSMANIA 2-1

Hockey Championship Zonal Final

HYDERABAD (Deccan), Nov. 29 (PTI). BOMBAY University beat Osmania University by two goals to one in the South Zone final of the Inter-University Hockey tournament played on the Osmania University ground this evening.

Martin de Sa, Bombay's outside-left, suffering a knee injury had to retire with only a minute for the final whistle to go.

The game was exciting, during its concluding stages. Martin de Sa, who registered the first goal of the evening, always spelt danger to the home team. Bombay's forward line showed greater understanding and led innumerable expeditions to the Osmania team's goal without making any impression on the home team's deep defence. Half time saw Bombay leading with one goal to their credit.

WASTED 'SITTERS'—Osmania University however exercised more pressure after resumption and took the offensive. Their forwards led by Salaam (inside-left) carried the game to Bombay's territory and beat their backs and the goal-keeper more

PLENTY OF TIME FOR JAPAN'S ADMISSION

British Official In India To Study Development Of Sport

MADRAS, Nov. 29, (PTI). Sir Eugen Millington-Drake, Vice-President of the Poetry Society, London, who was Chairman of the Reception Committee of the Olympiad in London last year, declined to express an opinion on the question of admitting Japan to the next Olympiad to be held in 1952.

Sir Eugen now on a visit to Madras said: "It is a very delicate question. In my opinion it is better that the matter is held in suspense for the present, and brought up after two years by which time the conditions are bound to improve".

As one greatly interested in sports, particularly boxing and rowing, Sir Eugen would study the development in India in the field of sports as well. He expects to be in Calcutta on January 1 for the Tennis Championship finals. Rowing, he said, was an excellent sport to which India should pay greater attention.

Sir Eugen was surprised to hear that recently two local professionals died as a result of injuries received in boxing contests. The best way to avoid such casualties, he said, was to have rigorous medical examination of contestants before a boxing match. The referee should also be given every discretion to stop a fight at any stage of the contest if he found one combatant was definitely superior to another. In England, he said, people had begun to take increasing interest in amateur boxing, because the contestants there go all out for a win without any reservation in professional contests. He expected amateur boxing to develop on similar lines in India also.

SELVARAJ AND JONES REACH SEMIFINAL

All-India Snooker Championship

CALCUTTA, Nov. 30 (PTI): The first two quarter-final round matches of the All India Snooker Championship were decided tonight when T. A. Selvaraj of Bangalore and W. Jones of Bombay entered the semi-final, defeating P. K. Deb and L. Gresson, respectively.

Deb, who took the first frame from Selvaraj, scores being 66-60, could not get going at all after this. His opponent Selvaraj took every advantage of the chances and simply ran away with the match, winning the next three frames. The results were: 68-25, 63-37, and 67-39.

Jones had an easy victory over Gresson, the qualifying runner-up, by three straight frames. The results were: 38-49, 63-32 and 62-27.

Northern India Lawn Tennis Tournament

NEW DELHI, Nov. 29, (PTI): The Northern India Lawn Tennis Championships will be held here from January 9, it is learnt. The matches will be played at the Irwin Stadium courts.

Besides India's top-ranking players, a number of foreign players are expected to take part in the championships.

HOW SHARES MOVE IN DALAL STREET

TATA DEFERREDS REACT AFTER EARLY ADVANCE

Cotton Mill Shares Fairly Steady

BOMBAY, Nov. 30. The Bombay Stock Exchange displayed firmer tendency with increased buying during the early part of the session and quotations registered moderate gains. However the rise attracted moderate realising and a portion of the improvement was lost in subsequent trading. As mentioned before the market feeling remains bullish and the grinding rise is inducing more support on all recessions. Outside participation is increasing. There was considerable activity in Steel sections. It is said that holders of Tata Steel Defd. Shares would be offered better ratio than previously expressed of one to four ordinary shares. This belief is mainly responsible for increased buying in Tata Steel Defd. Shares which opened today at Rs. 1425 and moved up at Rs. 1440 on increased

buying and short covering. Later the market reacted at Rs. 1425 on profit-taking sales. Ordinary shares opened at Rs. 296 and after advancing at Rs. 299 declined at Rs. 295 showing a ratio of 4-9. Indian Irons opened at Rs. 28/14 and sharply advanced at Rs. 30/- but reacted at Rs. 29/5. Bombay Dyeing Shares opened at Rs. 104 1/2 and after advancing at Rs. 105 1/2 declined at Rs. 103 7/8. AMSTERDAM STOCK EXCHANGE

AMSTERDAM, Nov. 29.

The Bourse today showed a slightly better undertone for the first time in many days. Plantations recovered some of their recent sharp losses and international markets well maintained. Royal Dutch, however, continued depressed.

PARIS STOCK EXCHANGE

PARIS, Nov. 29.

Continued absence of public participation, endmonth selling, and political considerations all combined to send domestic quotations on the bourse lower although French Pentes were maintained. Some international were even harder hit. Mexican Eagles, Kaffirs and Coppers, Except Rhodesian copper, lost substantial ground. Argentines also declined and Suez was subjected to profit-taking.

BRUSSELS STOCK EXCHANGE

BRUSSELS, Nov. 29.

Dealings on the Bourse were quiet with a generally steady tone throughout the market. Coals were firm and occasionally strong. Constructional issues were favourably influenced by official news of the forthcoming big public works projects.

PLEASE STAY IN FRENCH UNION

KARIKAL, Nov. 30 (PTI):—Pamphlets appealing to the French Indian Settlements to remain in the French Union have been distributed throughout Karikal. The pamphlets which were printed in English, French and Tamil stated that this was necessary for their prosperity.

NEED FOR MUTUAL UNDERSTANDING

Malik On Indo-French Relations

PARIS, Nov. 30 (PTI-Reuters):—Sardar H. S. Malik, India's first ambassador to France spoke of the need of "a real understanding between French and India for the solution of international problems" before leaving Paris for London today on his way back to Delhi. He is to have his first home leave in two and a half years.

On the political side, Sardar Malik said, some problems are still unsettled. (The referendum to determine the future of French possessions in India, due mid-December, has been postponed for two months).

"I feel sure difficulties that may arise in execution of these policies will be overcome because I find among senior officials a genuine realism and consciousness of the importance of a real understanding between France and India for the solution of much more important international problems that are likely to come up," he added.

Sardar Malik plans to be in Delhi on Saturday.

U.S. WANTS INDIA TO BE FREE & STABLE

No Dominating Motive, Says Lippman

MADRAS, Nov. 30 (PTI):—Mr. Walter Lippman, American Columnist, said here today that in America's new relationship with India, people should not consider that America had any dominating motive either economically or financially to treat India or her neighbours as a colonial area.

Addressing a luncheon meeting at the Y.W.C.A., Mr. Lippman said: "The only economic and political interest Americans have in India is that India should be free, stable and prosperous and as far as it does that, we shall feel that our own interests in India have been promoted."

PREREQUISITE FOR ANDHRA PROVINCE

Delhi Asks For Agreed Formula On Partition Matters

MADRAS, Nov. 30 (PTI) THE Government of India will take steps for the actual formation of the Andhra Province only if an agreed formula on partition matters is evolved by the Madras Government and the concerned parties. A categorical statement to this effect has been made by the Central Government in the recent communication to the Madras Government on the subject. A Ministerial source revealed here today.

According to the source the Government of India's "detailed document" seeks "unambiguous views" on a number of issues including the capital, administrative set-up and financial assets and liabilities of the proposed Andhra Province.

The source doubted whether the new Province could be ushered in on or before Jan. 26, in view of the complex issues awaiting solution.

BOUNDARY COMMISSION

On the question of boundaries the Central Government have envisaged a Commission to demarcate clearly the exact boundaries of the 12 undisputed Telugu districts including the four taluks of the Bellary District.

The question has also been raised whether the non-Telugu taluks of Bellary, where Canarese is the spoken language, could or could not be merged with the Bellary District. These five taluks are not contiguous to the residuary Province of Madras, but lie on the border of the Bombay Province.

The Government of India's communication is also understood to have sought "agreed and unambiguous" proposals on the following points:

(1) Whether there should be upper houses for the Andhra and the residuary Province of Madras.

(2) Whether the Government of Madras should be a common Governor for both or there should be separate Governors.

(3) Whether the High Court and Public Service Commission could be common for some time.

SECRETARIAL LEVEL TALKS

A conference on secretarial level was held here today when, it is understood, administrative matters incidental to the partition of the Province were considered. These matters will be further considered by the provincial Cabinet on Dec. 6.

As indicated already the Cabinet will set up a Committee of the Representatives of the Madras Legislature including Ministers to work out details for the separation. The Provincial Government will forward the Committee's decisions with their modifications, if any, to the Government of India for further action in regard to the formation of the Andhra Province.

DOCTORATE FOR J. N. CHAUDHURY

HYDERABAD (Dn.), Nov. 30 (PTI): A special convocation of the Osmania University will be held tomorrow morning to confer the honorary degree of Doctor of Laws (LL.D.) on Major General J. N. Chaudhury Military Governor of Hyderabad.

HIS BATTLE

"The States Ministry employed me for the police action against Hyderabad, but all this time I have been fighting with the States Ministry for Hyderabad" said Major General Choudhary speaking at the Rotary Club function this evening.

VELLODI AS CHIEF MINISTER

Nizam Issues Firman

SECUERABAD, Nov. 30 (UPI): As the Military Governor, Major General J. N. Chaudhary, was called off to the Northern Army from December 1, the Nizam has appointed a Council of Ministers, with Mr. M. K. Velloodi, as the Chief Minister.

The Nizam's firman issued in this connection says: "I hereby appoint Mr. M. K. Velloodi, C.I.E., I.C.S., to be my Chief Minister and the following gentlemen namely:—1. Mr. D. S. Bakhle, O. B. E. (I.C.S.), 2. Nawab Zain Yar Jung Bahadur, 3. Raja Dhanraj Bahadur, 4. Rajasevaprakasha M. Heshadri, 5. Mr. C. V. S. Rao, 6. Mr. P. H. Krishna Rao, to be members of my Council of Ministers.

"I further direct that all the powers of administration, including powers of legislation, vested in the Military Governor before the said date shall as from the said date be exercisable by the Chief Minister."

Hyderabad's Constituent Assembly

SECUERABAD, Nov. 30 (UPI): The Hyderabad Constituent Assembly is to consist of 200 members elected by 137 constituencies out of whom 36 seats are reserved for Harijans, 26 for Muslims and three for tribes. The election has been made on the basis of population. The seats allotted to the various constituencies and the distribution of the reserved seats have been announced by the Military Governor.

CONGRESS M.L.A. JOINS SOCIALISTS

JULLUNDUR, Nov. 29 (PTI): Babu Bachan Singh, M.L.A., East Punjab Government formerly Chief Parliamentary Secretary to the Sachar Cabinet, has joined the Socialist Party.

He told the press today giving reasons for joining the Socialist Party that since the day India became independent administration of the province was being conducted in a manner which was giving bad name to the Congress Party. The Party itself had thrown overboard all the principles of Gandhi, he added.

THE MESSAGE OF THE MAHATMA

NEW DELHI, Nov. 30 (UPI): Some Pacifists are understood to have suggested a peace broadcast to the world from Mahatma Gandhi's Sevagram hut, on the night of December 25 the Christmas Day.

This suggestion is expected to come up for decision at the first sitting of the World Pacific Conference meeting from tomorrow at Shantiniketan.

SURCHARGE IN BOMBAY PORT

British Shippers Also To Suspend?

LONDON, Nov. 30 (PTI-Reuters): The United Kingdom-Continental-Bombay Shipping Lines are expected within 48 hours to follow the American lines in suspending the surcharge of 25 per cent levied on freight to Bombay because of delays caused by traffic congestion in the port.

For a fortnight, twelve great shipping lines—British, Indian, French, Belgian, Norwegian and Swedish—have been conferring by cable on whether to take quick action in improving the lot of native workers. The Cyprus delegate appealed for help in freeing the workers from the British yoke. The British Guiana delegate wanted more practical international help in raising wages and reducing working hours of workers in Colon.

WOMAN M. P.'s THREAT TO OXFORD STUDENTS

OXFORD (IPS): Irritated by continued hecklings by the Oxford Undergraduates, Mrs. E. M. Braddock, Labour M. P., issued a threat and a warning to them. She shouted: "It would not be a bad idea to close down all the universities for 12 months and put you all down the pits."

An undergraduate replied: "What would the Unions say?" "Later, after further exchanges, Mrs. Braddock said: 'I have just been baiting'."

TRAINING WORKERS FOR FARM LABOUR

NEW DELHI, Nov. 30 (PTI): The Working Committee of the Hindustan Mahadoor Sevak Sangh at a meeting held under the presidency of Sardar Vallabhbhai Patel today decided to train over 200 workers for organising agricultural labour in rural areas of the country.

Pope's Broadcast On Dec. 23

VATICAN CITY, Nov. 29 (P.T.I.-Reuters): The Pope's Christmas eve broadcast to the world has been held forward this year to December 23 because the following day he will open the holy door of Saint Peter's Basilica—symbolic opening of the holy year 1950.

INDIA'S MESSAGE TO EAST AFRICA

(Continued from Page 4)

Museum. Already he has collected a good round sum. The Europeans started a 'Polio fund, and Pant has helped that committee too in various ways.

COMMON CULTURE

A great task before our Commissioner is the working out of a common culture, a mixture of the East and the West, a fusion of common interests, to create a horizontal division instead of watertight vertical racial compartments as they are now. In the solution of this problem the present writer believes that Pant may be helped by Europeans and Africans; the hardest part is our own Indians who are conservative to the core, not easily changing their attitude and their set criteria of thought and judgment.

There is absolutely no doubt that our own brethren are reserved in manner and hedged in by biased views on each and every subject. The sole aim of most of them here seems to be the making of money by all means. As Pant has said, they have made money their God and money is a bad master. How can Pant convince Europeans and Africans that Indians are here to serve as disciples of Gandhiji in their spirit of service unless he is helped by each and every one of his own people?

INDIA'S MESSAGE TO EAST AFRICA

There are territories of British East Africa there is a lot of talk about the bad conscience of the Europeans, who have had to adopt many sad ways to make their sovereignty accepted. On one hand they talk of the white man's burden; on the other they vilify the African. They say that they want to create an empire of love and understanding, an empire of Christ—something that is beyond conception during these times of disillusion. But they are concerned mostly with the maintenance of their own prestige and their rulership. For this very reason there is unrest and mistrust and fright all round in East Africa—and you might say that these are the problems of each and every nation the world over. For this reason we might say that Mahatma Gandhi strove to make India march on the right lines—no aim but the love of mankind, love of humanity, no racialism anywhere, no nation for a man, no sense of oppression by anyone. No nation has the right to exert any sort of social, economic or political pressure over another. And this is the message that Pant has brought to these territories.

4 Lakh Tons Of Fertilisers For Land

NEW DELHI, Nov. 30 (PTI): Mr. R. K. Patil, Food Commissioner, Govt. of India, told the Bihar conference of agriculture officials of the provinces and states here today that import of four lakh tons of ammonium sulphate had been arranged for the current year and the same was expected to arrive by the end of this year.

The Government of India, he stated, had decided to discontinue the subsidy to the provinces for nitrogenous fertilisers.

DR. KHARE ELECTED SABHA PRESIDENT

CALCUTTA, Nov. 30 (PTI): The Reception Committee of the Akhil Bharat Hindu Mahasabha at a meeting held today finally elected Dr. N. B. Khare, a Prussian, as the 28th President of the Sabha which will be held in Calcutta on Dec. 24.

The Committee has invited Mr. V. D. Savarkar to inaugurate the conference.

EQUIVALENTS FOR TECHNICAL TERMS

INDO-CHINA WILL GIVE NO ASYLUM

Nationalist China's Vain Hope

LONDON, Nov. 30 (PTI-Reuters). FRENCH authorities in Indo-China and the Vietnam Government of Bao Dai would strongly oppose any suggestion Chinese Nationalists might make to form a common front against the Communists, according to a French Embassy spokesman here.

He was commenting on a New China News Agency announcement that Communist Foreign Minister, Chou En Lai, had warned the Governments of France and the countries bordering China that they would bear full responsibility for harbouring any fugitive Kuomintang (Nationalist) troops and officers.

General Chou En Lai stated that Kuomintang leaders were "turning their hopes to Vietnam and other places on the frontiers of China" as an asylum and to prepare bases for a come-back if opportunity presented itself.

French officers here confirmed that there had been increasingly frequent reports of Kuomintang attempts to contact the Vietnam administration with a view to co-operating against the Communists.

But the Vietnam authorities had strongly rejected such a plan and French High Commissioner Leon Pignon was also understood to have declared that no such idea was contemplated.

It was pointed out here that in any case Chinese territory on the border with Indo-China was almost entirely in the hands of the forces of Ho Chi Minh. Therefore, it was doubtful if Chinese Nationalist troops would attempt to cross the frontier in any force.

CHUNGKING STILL HELD

Nationalist forces today still hold parts of Chungking, their Communist-infested capital on the Upper Yangtze River, according to travellers flying in to Chungking from Chengtu, temporary Government seat 200 miles to the north-west.

Nationalists still had one of the three airfields in the capital, they said. Telephone lines were still working between Chungking and Chengtu.

ANOTHER EXODUS?

Generalissimo Chiang Kai-Shek had reached Chengtu, but with the main Communist forces now switching in that direction, it was expected the Nationalist Cabinet would move out in the next few days to Taiwan, Formosa.

Nationalist officials arriving here from Chungking earlier declared they believed the capital had fallen without a fight.

Telephone and telegraph communications with Hong Kong were cut last night.

Attacks On U. S. Shipping

WASHINGTON, Nov. 30 (PTI-Reuters): Mr. Dean Acheson, United States Secretary of State, today accused the Chinese Nationalist Government of attacking American rights through attacks by Nationalist vessels on American shipping near Shanghai.

Mr. Acheson told reporters that the United States Government had refused to accept the Nationalists' offer as constituting "a legal blockade" but had warned shipping companies that any American ship which went into one of the closed ports would do so on its own responsibility.

"To my knowledge no American ship entered or attempted to enter Shanghai from late June, when the port was stated to be closed, until September, when arrangements had been made and publicly announced for the entrance of the general cordon."

NEW A-BOMB TESTS BY U. S.

WASHINGTON, Nov. 30 (USIS): The U. S. Defence Department and Atomic Energy Commission announced jointly yesterday that a new series of atomic weapons tests will be held at the Eniwetok Atoll in the South Pacific. The dates of the coming tests were not given because of "security restrictions," the announcement said.

The tests, the third ones to be conducted by the United States since the end of World War II, will mark the first use of the Eniwetok proving grounds since "new and improved" weapons were tested there in April and May 1948.

Prior to the first Eniwetok tests, A-bombs were exploded at the Bikini Islands in the Pacific in June and July 1946.

RAMPUR MERGER TODAY

LUCKNOW, Nov. 30 (PTI): The Government of India have decided to merge the states of Rampur, Banaras and Tehri Garhwal with the United Provinces with effect from tomorrow Dec. 1.

The total area of the three states is 6,276 square miles and the population fourteen lakhs. The revenue from these states exceeds rupees 170 lakhs.

Rampur and Tehri Garhwal will become separate districts while Banaras will be part of the Banaras District. After the merger of these three states, the United Provinces will have 51 districts.

Notification about the extension of the U.P. laws to these areas are also being issued shortly, it is learnt.

Sholapur Mills May Reopen

RETRENCHMENT PROPOSED

BOMBAY, Wednesday (UPI): The Sholapur Mills, one of the major textile factories in the province of Bombay, is likely to reopen shortly after four months' closure, in view of certain decisions reached here today.

It is learnt that the proposal of the mill authorities to retrench some 3,000 and odd workers from the mills was referred to the Wage Board for adjudication as early as May 1949. The Board, after full consideration of the matter has recommended that the proposed retrenchment should be carried out in the mills, the authorities of which threatened total closure if there retrenchment proposal was not allowed to be implemented.

The decision of the Board to recommend retrenchment in the Sholapur Mills was taken at a meeting of the Board today under the presidency of Sri Purushottam Kanji, the Chairman of the Board.

It is learnt in this connection that the matter may be further referred to the Industrial Court if any of the parties—the millowners and the labourers—do not want to abide by the recommendations of the Wage Board.

LONDON STOCK EXCHANGE

Firm Trend

LONDON, Nov. 30. (PTI-Reuters): The new account or trading period on the London Stock Exchange started on a bright note today. Small gains were widespread with sentiment aided by the result of the New Zealand elections. This brought a change of Government with the defeat of the Labour Party.

Buying of British Government Stocks was less than on previous days but produced fractional gains.

New account buying infused new life into industrial and brought a rising trend to many of the miscellaneous leaders and groups.

New Zealand loans were quietly firmer but a gain of three Shillings at 55 Shillings was recorded by the National Bank of New Zealand.

Changes in oils were few but Ultramarine lost few pence and six and six on the company's scheme to raise £1,000,000 fresh capital.

Foreign bonds and rails were idle but among the former there was a firmness in Germans and Japanese loans.

South African minings were firm. Local buying of producers and developers was selective. Gains were well held at the close.
